

MICHELLE BROWN TESTIMONY

Now that you have viewed the movie about Michelle Brown, and how her life has been affected by Identity Theft, you are to read the real Michelle Brown's [Testimony](#). You only need to read her testimony; you do not need to read the part about how she feels they could better improve the current legal system against identity theft.

As you are reading the testimony, find 10 discrepancies (differences) from the movie. You need to list what was portrayed in the movie, and what actually happened.

Save this document to your p-drive and type your ten items right on this page.
