

Internet safety

KEEP
CALM
AND
STAY SAFE
ONLINE

- 1) Don't use weak passwords
- 2) Be careful what you post online
- 3) Don't be a bully
- 4) Be wary of who you share your info with
- 5) NEVER give out your password.
- 6) Don't give out personal info to ANYONE
- 7) Be careful about what you post online
- 8) Respect other peoples ideas; even if you don't agree with someone's opinions doesn't mean you have to be mean.
- 9) Don't befriend people you don't know.
- 10) If you see something disturbing online that makes you uncomfortable online, leave the website and tell your parents.
